PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Street Lights Are Assured Again By Efforts Of Lions

O. H. Sheppard, retiring president of the Canal Point Lions Club, at the regular dinner meeting Monday night called upon chairmen of standing committees for reports of club activities.

The most important project sponsored by the club during Mr. Sheppard's term of office the past year has been the development of a recreational area on the shore of Lake Okechobee at the Canal Point waterfront. It was reported at the meeting that the picnic area in the pine grove, complete with tables and benches, is now ready for public use. The concrete ramp for the launching of small boats a short distance south of the grove was completed by the club several months ago.

In the club's sight conservation project corrective glasses were purchased for six local children with defective eyesight. The club also assumed the maintenance expense on the large Canal Point sign at Twenty-mile Bend and had it re-erected after it was blown down in a windstorm. Again during the past year the club acted as agent for the community of Canal Point by collecting the necessary funds to provide street lights for the area.

At the end of the meeting Mr. Sheppard turned the president's gavel over to J. W. Repper, incoming president, who will preside at the next dinner meeting, July 1.

Meeting Dates Of Board Changed

A revision of meeting dates for county commission and zoning commission meetings was approved Monday by the county board—a temporary change that will be effective for the next 90 days.

The board voted to cancel two of its regular monthly meetings and for the next three months will hold commission sessions on the second and fourth Mondays of the month at 10:30 a. m.

Zoning commission meetings will be held on the 1st and 3rd Fridays of the month, beginning at 1:30 p. m.

Starting on July 1, the board will sit as an equalization board for a week—with the exception of July 4th, a legal holiday for county employees.

Daily budget sessions were started Tuesday afternoon and will be held until the budget is completed. A series of conferences with department heads on the up coming budget will begin this week.

In connection with the proposed budget for expenditures during the coming year, Commission Chairman Kenneth Foster said the board will make every effort to "hold the line" in an attempt to keep from raising the tax levy.

A seaplane ride over Bok Tower, the Passion Play Amphitheatre, Cypress Gardens and other scenic points of interest in the Lake Wales area is the newest service being offered visitors to the Great Masterpiece.

Stamp Price Up On Documents

Beginning next Monday, July 1, documentary stamps for deeds filed in the Courthouse will double in cost, Clerk of Circuit Court J. Alex Arnette announced Tuesday. The jump in price was authorized in the tax bill passed by the Legislature at Tallahassee recently.

Rate for documentary stamps presently is 10 cents per \$100 valuation. For deeds only, this amount jumps to 20 cents per \$100 Monday. No change in the stamp rates for abstracts or mortgages will be effected.

Boys Industrial School For 'Chobee

A South Florida branch of the Boys Industrial School probably will be among the first projects to get underway in the state's new \$65-million-dollar building program.

Terry Lee, state building coordinator, said plans for the institution in Okechobee County are completed and the state can advertise for bids within a few weeks. The Legislature appropriated \$4,315,000 for this project which will relieve overcrowding at the present boys school in Marianna.

This institution, a two-million-dollar addition to the Carlton State Office Building, and three new buildings for the Northeast Florida mental hospital at Macclenny are the only major buildings in the new program that are ready to go, Lee said.

The 1955 Legislature provided funds to plan the boys school branch, while most of the other projects must be started from scratch. Planning is under way, with an appropriation provided by a special session last year for a badly needed branch institution in Lee County for mentally retarded children.

But Lee said it would be at least six months before this project, for which the 1957 Legislature appropriated five million dollars will be ready for contractor bids. These new institutions will be among the top priorities in Lee's recommendations to the Cabinet Budget Commission.

The new institution for retarded children will enable the admission of hundreds of patients which the farm colony at Gainesville is too crowded to take.

Bible School Has Review Of Work

The Vacation Bible School at the Canal Point Baptist Church came to an end with a parent's night program at the church Friday evening when the work accomplished by the children at the school was reviewed and there was an exhibit of handicraft articles on display. The Rev. Charles D. Stewart served as superintendent of the school which had an average daily attendance of 35.

Florida leads all southern states in available service with one dentist for each 2,058 persons. There are 1,825 dentists in the state.

Fireworks, Fish Fry, Regatta Are Scheduled July 4

A sail boat regatta will be one of the features this year of the Fourth of July celebration program held annually at Pahokee Harbor. The Pahokee Junior Chamber of Commerce, sponsor of the regatta, will also hold a fish fry at the waterfront on the day of the celebration, according to Dr. Richard C. Lane, president.

Although details of the program have still to be worked out it is expected the regatta will get underway at 10 a. m. and last until 5 p. m., Thursday, July 4. Servings at the fish fry will start at 12 noon and continue until around 7 p. m.

Prior to the big fireworks display on the Pahokee city dock, which will bring the program to an end Thursday night, a concert of songs will be presented by the Up-treuve Quartet.

Gene Pickren and Vance Denton are on the committee in charge of arrangements for the regatta. Charles (Sonny) Brown is chairman in charge of the fish fry. The fireworks display will be under the direction of Milton Carpenter.

Council Drops Idea Passing Pahokee With Truck Route

The Pahokee City Council, in regular session Monday night with all members present, voted to abandon the proposed plan to use Hooker Highway as a bypass truck route and decided to continue to use S. E. First Street in the routing of trucks through the downtown section of the city. This action was taken after petitions were read, representing the protests of 34 business men and women against the truck bypass proposal it being the consensus of opinion by this group that such a move would be detrimental to the business interests of the community.

City Clerk Fatsy Batchelor was instructed to write to the County Commission and the State Road Department requesting that they stop action on the Council's previous request that Hooker Road be designated as a truck route. Mrs. Frank Friend, representing the Woman's Club and Parent-Teacher Association, spoke in favor of the bypass route because of the danger to school children from the present truck route which borders the public school grounds.

L. L. Shirley and C. M. Todd were appointed members of the City Library Board. Miss Batchelor was asked to write letters of thanks to M. P. Stanley and Miss Barbara Myatt for their services as former members of the library board.

It was voted to allocate \$100 for the purchase of necessary equipment in the Summer Recreation Program at the East Lake School.

In response to a previous request by the Council City Inspector Frank Thompson presented at the meeting a list of eight buildings in the Negro section which he judged

(continued on page 8)

PROCLAMATION

WHEREAS in cooperation with the City of Pahokee, the West Palm Beach Television Station WFTV will salute Pahokee on hereafter said date, and inform its vast audiences of the wonderful City of Pahokee;

NOW THEREFORE by the authority vested in me as Mayor of the City of Pahokee, I do hereby proclaim Wednesday July 3rd as "Pahokee Day".

In witness whereof, I hereby set by hand and the seal of the City of Pahokee on this the 26th day of June, 1957.

(City Seal) F. S. PARRISH
Mayor

2 Swimming Pools For Belle Glade

Ground has been broken and building has started for two swimming pools and bathhouses in Belle Glade—one for whites and one for Negroes. Barring adverse weather conditions the pools should be completed by Sept. 15.

The pool for white residents is being built on a 2½-acre tract on lease from the Lions Club, at the corner of NW Fourth St. and NW Ave. F. The pool, to be built according to AAU and Olympic specifications, and the bathhouse will be constructed at a cost of \$98,131.

The pool for Negroes will be located at the corner of SE ave. E and 13th St. opposite Lake Shore High School. The pool, built to AAU specification, and bathhouse will be constructed at a cost of \$78,020.

The difference in construction cost for the two pools is being made up from public subscriptions and donations by the Lions Club, Beta Sigma Phi and other organizations already on hand.

Money for the construction of the two pools has been made available on a \$300,000 municipal recreation issue which will be retired by the annual Florida Power and Light Company franchise rebate paid to the city.

Carter Construction Co., of Fort Lauderdale, has the contract to build the two pools, and Roemer Construction Co., of Belle Glade, or the two bathhouses.

Convict Cost In Down To \$3.57

On observation by Commissioner Paul Rardin during a county board meeting this week that the "county is paying too much for fertilizer" brought a quick reply from Commissioner Ben Sundry.

"I can sell it cheaper but I don't have a chance," declared Sundry, a Delray Beach feed and fertilizer dealer who by virtue of being a member of the board is prohibited from doing business with the county.

Cost of the fertilizer was given as one of the reasons why a sudden jump appeared in the cost of operation of the county stockade. Commissioner Rardin had asked an investigation of the \$5.06 operating cost.

A report from the county road superintendent said actual cost of the operating was \$3.37 per day and that added costs were the result of purchasing material and supplies during the past month.

Ground Broken For \$1,295,000 House Project Pahokee

Mayor F. S. (Dick) Parrish and Leonard Dobrow, chairman of the Board of Commissioners of the Pahokee Housing Authority, handled the spade in the ground-breaking ceremony for the PHA's two housing projects which are to be built by the A. B. Newton Company of Vidalia, Ga., at a cost of \$1,295,000.

The ceremony took place at 10 a. m., Tuesday, on the site of the White project between SE Fourth and Fifth Streets and Cypress and Lake Avenues, with Lewis Friend, former Pahokee mayor, members of the Pahokee City Council and members of the PHA Board of Commissioners present.

The building of the streets in the 75-unit Negro project on McClure Road will get under way this week by the Handley Construction Co. sub-contractor, according to James W. Vann, PHA executive director.

The contract with the A. B. Newton Company allows the contractor eight months for the construction of the two projects, a total of 115 housing units, with an additional 75 days for the landscaping work. J. T. Clifton will be the construction superintendent and approximately 100 workers will be employed during the construction period.

It is expected the two housing projects will be completed in time to alleviate the housing shortage during the harvest season next spring, Mr. Vann said.

Methodists Adopt \$16,740.45 Budget

The Official Board of the Pahokee First Methodist Church adopted a budget of \$16,740.45 for the 1957-58 fiscal year of the church at the first meeting of the new fiscal year held at the church with Lloyd Hundley, the new chairman, presiding. M. P. Holman was re-named church treasurer.

The new budget includes funds for the improvement of the church sanctuary.

Funds were authorized to pay the expenses of sending one representative each from the Intermediate and Senior Youth Fellowship groups to the Methodist Youth Fellowship groups to the Methodist Youth Camp near Leesburg this summer.

Walter Slauter, Senior Choir director, was authorized to have installed on trial basis a Baldwin electric organ in the church sanctuary.

Girl Scouts In Jupiter Camp

Pahokee Girl Scouts who are attending summer camp at Camp Margery Daniels near Jupiter are Sue Bower, Barbara Childers, Roberta Frank, Kay Canipe, Willola Tyson, Linda Lane, Ethel Ida Johnson, Glynda Carr, Julia and Sara Johnson. Mrs. Ralph Stanley, manager of the Pahokee school cafeteria, is again this summer serving as cafeteria supervisor at Camp Margery Daniels.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week approved two trades of county land which will make 20-acre school sites available to the county school board in Boynton Beach and Delray Beach.

At Boynton Beach, the county agreed to dedicate a 20-acre tract to the city and in return get 20-acres of land which will be turned over to the school board. At Delray Beach five acres of county land at the southern tip of Lake Ida is being transferred to the city for five-acre plot which the city owns next to a 15-acre site already owned by the school board.

In another action on county lands, the board, on motion of Commissioner Ben Sundry, voted to call for bids on 2.65 acres of county land near Lake Ida and to return 5.48 acres of the same plot back to Lake Worth Drainage District.

In connection with a proposed fill at the western end of Southern Blvd. bridge in West Palm

Beach, the commission withdrew its objection to the proposed fill and also withdrew its request to the state II Trustees for purchase of the land near the bridge. County Engineer Steve Middleton told the board that the State Road Department had revised its plans for the bridge approach and that the land in question was not now needed for road purposes.

Right of way considerations found the board giving approval for an expenditure of \$4,075 for right of way needed for turn-outs on the Bee Line Highway at Lake Park West Road; transfer to the state of right of way needed for four-laning State Road 80 between Parker Ave. and the Seaboard overpass in West Palm Beach; approval of an agreement with the Central and South Florida Flood Control Board for sharing the cost of a new bridge on Loxahatchee Drive over Canal 18 west of Jupiter.

Cinematic Chatter

By Malcolm Millar

Hello everybody! From a famous director in Hollywood comes this interesting news regarding the changes that have come over the film capitol since the new process of CinemaScope came into vogue. Here are some of the high lights. 1—Act better, think harder. 2—Do not depend on doubles. With its life-like continuity and long running scenes Cinescope keeps the camera on the player constantly so he has to do his own fighting. 3—Stars must watch their figures and face. 4—Watch your walk. There can be no mincing steps across the huge screen. 5—Lovers must be better matched as to height. The tall girls can't slip off their shoes to be shorter than he is. 6—Stars must have better memories. There are no more chopped up scenes. 7—Actors have to learn to sustain long scenes, just as actors on the legitimate stage do. 8—Players must act with their bodies as well as their eyes because the camera is watching them all over. 9—More attention must be given to the voice than heretofore. The stereophonic sound makes words seem to come from the lips of the actors themselves, making it necessary for them to identify themselves by their voices. 10—Lastly, the stars must keep their best acting foot forward at all times because the audience is seeing the extras for the first time and there are some pretty good scenes stealers among them. So, you can't say movie actors are "on a gray train" these days. See you at the movies—Mal.

For fire protection, an automatic system, developed by engineers of Minneapolis - Honeywell, continuous monitors temperature conditions in the thirty areas of an average house. Unsafe temperatures sound an alarm at a master panel.

Negligence Is Charge In Two Deaths In Canal

A 32-year-old Perry man was charged with culpable negligence Tuesday in an information filed in criminal court by County Solicitor Charles A. Nugent, Jr., involving a collision June 10 that killed two men and injured three.

James A. Harris is accused of inflicting personal injury or injuries through his culpable negligence on Ronald V. Renous, 42, who was admitted to Everglades Memorial Hospital after the collision between Harris, tractor-trailer and a State Road Department truck on SR 15.

Nugent said there was insufficient evidence to warrant filing manslaughter charges against Harris for the deaths of Osly L. Collier, 55, of Pahokee, driver of the SRD truck, and Burrell Goocher, 60, who was riding in the back of Collier's truck.

Renous also was a passenger in Collier's truck, riding in the back.

Also injured, but not as seriously as Renous, were Charles Flowers and W. A. Keen, also passengers in the SRD truck driven by Collier.

Both vehicles were headed for Canal Point about eleven and a half miles away when the tractor-trailer rammed the rear of the smaller truck, knocking it into the West Palm Beach Canal.

RECEPTION

Members of the Woman's Society of Christian Service of the Pahokee First Methodist Church were hostesses at an informal party and reception for the Rev. and Mrs. Wayne Owens and son, Hal, held in the recreational hall of the church Wednesday evening. The Rev. Owens was returned to Pahokee for his second year of service as pastor of the First Methodist Church during the recent Florida Methodist Conference at Lakeland.

Sugar Quota Is Upped By Dept.

WASHINGTON — The Agriculture Department this week increased sugar marketing allotments of processors in the mainland sugarcane producing area in a new move to increase consumer supplies.

This area comprises Florida and Louisiana.

These processors will be permitted to sell now their full quotas totaling 628,424 short tons. Under previous regulations they had been required to hold back about 10 per cent of their quotas until late in the year.

This action has the effect of making available for markets now 57,299 tons more than processors previously had been allotted for sale.

This is the third action taken in recent weeks by the department to increase consumer supplies and to halt price increases. In earlier steps, it increased over-all quotas for all producing areas and lifted restrictions that offshore areas hold back a part of their quotas until later in the year.

TRANSFERRED

G. C. McElhenney has been transferred by the Seaboard Airline Railroad from Pahokee to Thomasville, Ga., through the watermelon season there. Mrs. McElhenney and children are visiting her mother in Morven, Ga., while he is at Thomasville.

SHORT COURSE

Those from Pahokee who attended the short course in landscaping sponsored by the Florida Federation of Garden Clubs at the University of Florida the past week were Mrs. Lloyd Hundley, Mrs. C. L. Shirley and Mrs. W. W. McCurdy.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

PAUL RARDIN, Publisher

PERSONAL NEWS NOTES

C. W. Pell, third vice president of the Pahokee Lions Club, presided at the Tuesday luncheon meeting of the club. Chairmen of standing committees were called upon for reports of club activities during the past month.

Mrs. J. L. Reeves is a patient at the Everglades Memorial Hospital this week.

Mr. and Mrs. R. F. Hurt had as guests over the weekend his nephew, T. C. Kendrick, and family of Fort Lauderdale.

Mr. and Mrs. Thomas Handley and family have purchased a new home, now under construction in West Palm Beach, and plan to move there as soon as it is completed.

Mrs. John D. Rogers was accompanied to Miami Monday by her granddaughter, Linda Sue Justice, who returned to her home there after a visit with her grandparents in Pahokee.

Mr. and Mrs. Gene Reed had as weekend guests, Mr. and Mrs. Ed Harroun of Naples.

Bishop William F. Moses of Orlando will be at the Episcopal Church of Holy Nativity in Pahokee Sunday at 4 p. m. when he will conduct a confirmation service.

Mr. and Mrs. Joe M. Cox of Miami visited his sister, Mrs. B. C. Sims and family in Pahokee over the weekend and were accompanied home by his sister, Mrs. Ruby Smith.

Robert A. Nance left Tuesday for a two weeks' visit with relatives in Lake City, Tenn. He was accompanied by Mrs. Cleo Nelson and son, Johnny, who returned to their home in Lake City after spending nearly three weeks in Canal Point with her brother and sister-in-law, Mr. and Mrs. John Ridenour, and family.

Mr. and Mrs. Fred Spires and family returned to their home in Canal Point Sunday from a week's visit with relatives in McRae, Ga. The Spires have as guests this weekend his mother, Mrs. Alice Spires, and his sister, Mrs. Myrtle Burgess, both of McRae.

Mr. and Mrs. George Mills and daughter, Melinda, who recently returned from a visit with relatives in Alabama, left this week for North Carolina where he will be employed through the summer.

Major H. R. deFuniak recently joined his wife in Pahokee where she was the guest of her mother, Mrs. Ora W. Powell, for the past 16 months while he was on overseas duty in Korea. Major and Mrs. deFuniak have gone to Camp Gordon, Augusta, Ga., where he is now stationed.

Miss Margaret Powell plans to leave July 6 to attend summer music schools in Illinois, Mississippi and North Carolina.

Mr. and Mrs. Phil Bonnell have returned from a visit with friends in Boone, N. C.

Donald Pickett, a pre-dental student at Florida State University, is spending six weeks in training at the ROTC encampment at Fort Benning, Ga.

Dr. and Mrs. F. H. Potete and children, who are moving from Monroe, La., to West Palm Beach, were guests of her parents, Mr. and Mrs. Frank Friend, in Pahokee the past week.

James H. Wilson has gone to Nashville, Ark., where he will be engaged in the vegetable sales business this summer.

Mrs. Ernest Maxwell was called to Savannah, Ga., the past week by the illness of her father, W. E. Beasley, a former Pahokee resident.

Miss Judy Buchanan is spending the summer with her uncle and aunt, Mr. and Mrs. H. C. Messer, at Topeka, Kans.

Hugh Branch, who has been engaged in the selling of sweet corn at Zellwood for the past few weeks, visited his family in Pahokee over the weekend.

Alvin Armstrong, who operates a sand-blasting business in Miami, has returned to his home in Hialeah after completing five-week job for the U. S. Navy at San Salvador, B.W.I. He and his family are expected to visit his parents, Dr. and Mrs. L. W. Armstrong, in Pahokee in the next few days.

Mr. and Mrs. Jack Phillips and family plan to move into their new home in Vetville subdivision, Pahokee, during the coming week. They have sold the residence they are vacating at 305 SE Second St. to Mr. and Mrs. C. G. Willis and family.

Mr. and Mrs. Welborn Moore and children have returned to Albany, Ga., after a recent visit with the Batchelor families in Pahokee and with Mr. and Mrs. J. H. Newman in Lake Harbor.

Mrs. Jack Phillips joined her husband, who is engaged in the plane crop dusting business at Fairfax, S. C., at Daytona Beach the past week when they attended a four-day convention of airplane pilots.

Mrs. N. D. Gingery (Carolyn Crosby) will leave next week to join her new husband in Delaware where he is stationed.

Miss Theresa Pope has returned to her home in Canal Point after spending several days as the guest of Mr. and Mrs. B. O. Yates in Tampa.

Mr. and Mrs. W. J. Adams and children, and his sister, Mrs. H. G. McGouirk, plan to leave this week on a vacation trip to California where they will visit relatives in Oakland.

Mr. and Mrs. R. T. Smith and family are home from a vacation spent with friends and relatives in Georgia.

Mr. and Mrs. Joe Sims and small son plan to leave this week for a visit with her parents, Mr. and Mrs. Quincy Harper, at Tifton, Ga.

Mr. and Mrs. L. M. Mullis, accompanied by Mr. and Mrs. Parker, left this week for a visit with their son-in-law and daughter, Mr. and Mrs. Don Cole, and family, former Pahokee residents now living in Williston, N. Dak.

Mrs. A. H. Scruggs, of Canal Point, is visiting Mr. and Mrs. Calvin Padgett and new son in Gainesville, Fla.

Miss Donna Jensen returned to Miami last Monday after a two-week vacation with her parents, Mr. and Mrs. E. A. Jensen. Donna is completing her nurse's training at Jackson Memorial Hospital this summer.

Mr. and Mrs. Johnny Wilson and Mr. and Mrs. Ellis Walston left Sunday for a month's tour of the western states, possibly including a trip to Mexico.

Mr. and Mrs. T. W. Reeves and children will leave this week for a visit with his mother and other relatives in Luverne, Ala.

Mr. and Mrs. C. L. Shirley are in Griffin, Ga. attending the wedding of her niece, Miss Nancy Burks.

Mr. and Mrs. J. T. Platt had as guests Saturday, Mrs. Edith Herlong and her grandson, R. B. Chastain, Jr., and their daughter, Miss Joann Platt all of Miami.

Mrs. Ruby Smith returned this week to her home in Canal Point after visiting her brother and sister-in-law, Mr. and Mrs. Joe Cox in Miami.

Mrs. J. T. Platt returned to her home in Pahokee, Saturday after a few days visit in Perry at the home of her grandmother, Mrs. Sara C. Tooley and visiting in Quitman, Ga. with the J. T. Hiers family.

Ross Allen, of Silver Springs fame, and William Fuller, popular Florida author, are featured in the Warner Brothers color film, "Deep Adventure."

Revenue To Come \$40 Million Short

TALLAHASSEE — The legislature passed new revenue bills to talling approximately 120 million dollars in new revenue but Comptroller Ray Green fears that even this amount will not do the job and estimates that it may fall short about \$40 million of producing the amount needed.

Governor Collins is carefully studying the problem and said he would take no action until he has dependable estimates on what the new taxes can be expected to produce.

Budget Director Harry Smith concurs with Comptroller Green and thinks the figures used by the legislature were somewhat in excess of what the new tax program will rally produce.

The state's revenue from present taxes and treasury balances is anticipated at \$570 million while appropriations are about \$655 million.

Mr. and Mrs. Louis Walker have returned from a two-week vacation with her family in South Carolina.

FLORIDA POWER & LIGHT COMPANY

From where I'm sittin'... by Joe Marsh

"Fishin' Story"

Sometimes you hear about people and you like 'em before you ever get to see 'em. I took Doc Sherman cane pole fishin' Saturday and we drove to a spot I know. All down the road we saw "No trespassing" signs. Doc said something about he didn't want to break any laws.

We kept goin' 'til we came to the lake and there he saw it. A neat little sign that said "We forgive trespassers". Doc said he wanted to meet the people that put up a sign like that so we walked up to the house.

We visited quite a while and enjoyed a cool glass of ale on

that wide front porch... real fine people.

From where I'm sittin' there's a lot of meaning in that little sign. Forbidding people to do things can make unfriendly feelings. Not interfering with the other man's way of life makes friends, that is not interfering with things like fishing or having a cool glass of ale, with real fine people.

Joe Marsh

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U.S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest at current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

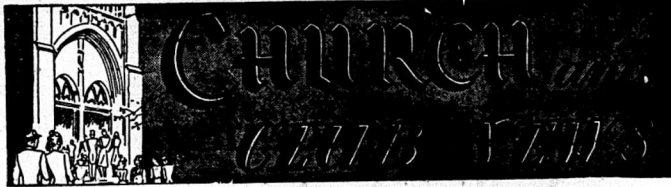

Choose your own savings goal

Christian Science Group Of Canal Point

How spiritual understanding of the inspired Word of the Bible brings hope and healing will be set forth at Christian Science services Sunday.

Scriptural reading in the Lesson-Sermon on "Christian Science" will include the following from Romans (15:4): "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (547:23-25, 31-32): "The Scriptures are very sacred. Our aim must be to have them understood spiritually, for only by this understanding can truth be gained. . . . It is this spiritual preception of

Scripture, which lifts humanity out of disease and death and inspires faith."

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

THE *Right* MIX
FOR EVERY JOB

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

The bronze plaque being unveiled above, was presented to Ray, Davidson and Ray, operators of Florida's Silver Springs, by the City of Ocala and Marion County, for their contribution towards the economic growth of the community. The award was made at a testimonial dinner for the three at the Silver Springs Restaurant which climaxed the festivities of Silver Springs Appreciation Week. Left to right, above, are J. E. Blocker, president of the Marion County Chamber of Commerce, unveiling the plaque, Carl Ray, W. M. Davidson and W. C. Ray, Jr. The plaque will be mounted on a marble base and placed in front of the main building.

Howes - Stokes

The engagement of Miss Mary Ann Howes of Jacksonville and Ray C. Stokes of Graceville, has been announced by her parents, Rev. and Mrs. C. T. Howes, of Tampa. Mr. Stokes is the son of Mr. and Mrs. J. B. Stokes, of Graceville.

The wedding will be an event of Thursday, June 20, at 6:30 p. m. in the Riverview Methodist Church.

The bride-elect is a former resident of Pahokee.

Mr. and Mrs. Otto Bleech and Mr. and Mrs. L. L. Shirley spent Sunday afternoon at Highlands Hammock State Park in Sebring.

Council Drops Idea—

(continued from page 7)
as unsafe for human habitation. The Council instructed Thompson to start condemnation proceedings against these eight buildings immediately.

The group voted to enter contract with the Palm Beach County Board of Public Instruction for the purchase by the City of Pahokee of school-owned land on Bacom Point Road now being used as a city park at a price of \$10,200, to be paid over a five-year period, starting the next fiscal year.

Adopted at the meeting was an ordinance providing for the automatic cancellation of city tax sales certificates that have not been redeemed at the end of twenty years after date of issue.

The Council decided to make a study of methods for simplifying the billing of waterworks and garbage collection bills to customers and set up a more effective system of collecting delinquent bills.

Mrs. Becky Howard spent the weekend with her mother, Mrs. Bertha Starling, at her new home on Sanibel Island.

Pahokee Baptist Church Topics

Sermon Topics this Sunday at the First Baptist Church in Pahokee are as follows: a. m.: "Except Ye Be Converted"; p. m.: "When I See the Blood."

The WMU Associational meeting will be held July 12th from 11:00 a. m. to 2:30 p. m. Miss Bonnie Jean Ray, Missionary to Hawaii and China, will be the speaker.

Vacation Bible School will begin on August 5th. C. A. Batchelor, Chairman of Vacation Bible School Committee, states that the Pastor will serve as Principal and that a large number of workers are being enlisted. The school will be held in the mornings and will feature Bible Study, Story Telling, Singing, Worship, Missionary Studies, Handwork, and play. Boys and girls ages 3-16 are invited to attend.

The Pastor and family will leave Monday for a vacation with friends and relatives in Georgia, Kentucky, Tennessee, Virginia. The Pastor will speak at the First Christian Church in Paducah, Kentucky and at the First Baptist in Elizabethton, Tennessee. He will

attend Ridgecrest for Training Union Week.

In the Pastor's absence members of the local church will conduct Prayer Services on Wednesday evening and a visiting minister will supply on Sundays.

Uptegrove's Is Damaged By Fire

A fire that broke out in the supplies room of Uptegrove's Supermarket at 132 East Main St., Pahokee, around 5 p. m. Thursday of last week caused an estimated damage of \$20,000 to the store and its contents before it was brought under control by the Pahokee Fire Department.

The fire, of unknown origin, was discovered by E. R. (Babe) Uptegrove, owner when he opened the door of the supplies room and found the interior a mass of flames, according to Fire Chief Marvin Levins. Water and smoke damage to grocery stock accounted for most of the loss, however, the front part of the building was estimated to be 25 per cent damaged. The new addition at the rear of the building was not damaged. This is the second time this

building has been the object of disaster. Last summer a tornado that originated as a waterspout on Lake Okeechobee moved over the levee and ripped the roof off the Uptegrove Supermarket, resulting in a damage of several thousands of dollars in stock from the heavy downpour of rain that accompanied the storm.

AT CONVENTION

The Pahokee Business and Professional Woman's Club was represented at the State Convention of the Florida Federation, B&P-WC, in Jacksonville by Mrs. Allie Okie, president; Mrs. Doris Sasser, treasurer, and Mrs. Johnnie Verhuist, special projects chairman.

HARVEST QUEEN IN N. Y.

Miss Martha Gale Ammons, 1957 Glades Harvest Queen, accompanied by her mother, Mrs. C. W. Ammons, was the guest of the Hartford Modeling Agency during a three-day stay in New York City the past week, the plane trip to New York being one of the prizes awarded to the Harvest Queen.
